

# Karen Masseur

## My Background

I grew up on a ranch in North Dakota where I learned how to work hard and play hard. I graduated from UND with a bachelors degree in Education. For the past twenty years I have worked with organizations such as SD Parent Connection, Big Brothers Big Sisters, and the Family Support program through Black Hills Special Services. I am a mom to 3 adult kids and a Gigi to a special grandson!

## How to Support me:

- Give me time to process new information and to help find the best option/solution.
- Invite me to extracurricular events—I'm a great cheerleader & I love to see people doing what they love to do!
- I appreciate feedback—Please be honest and open. If something is not working, let me know right away.
- Keep me informed through email, text or call.

*You are powerful, beautiful, brilliant and brave.*
