

## About me

Hi! My name is Samantha, but everyone just calls me Sam. I have a bachelor's degree in Behavioral Science and spent many years as a Direct Support Professional and then as a Lead DSP. I also have experience in case management working with survivors of human trafficking, as well as crisis intervention serving victims of domestic violence.

## What is important to me

Spending quality time with family and friends

Taking my dog for walks and adventures

Lazy days at home with my boyfriend and three cats

Enjoying the simple things in life
