## What is important to me

- \* Family time
- \* Striving to learn more new things
- \* Being able to take what I've learned and teach or help someone else
- \* Being around people who enjoy each others company
- \* Friendships
- \* Cats— I love all cats (I have 3 of them 😊)

## About Me

I graduated from Black Hills State University with a bachelor's in human services. While I was attending college, I was working full time at Chili's Bar and Grill in Rapid City SD, after graduating I was offered a management position at Chilis and decided that was the best thing for me and my family. After 2 years of management and 6 years at Chili's, I had a baby and decided to look outside of the restaurant business and found RHD. Although I am new to case management I am eager to learn and help in any aspect that I can.
