

# Jessie Bruce

## How to best support me:

- Give me clear, concise instructions/directions for each task
- Giving me time to process information before I answer.
- Keep me informed. Emailing and texting works best for me.
- At first, I am a little reserved and it appears like I am a little shy/quiet, but a very strong advocate.

## Professional background:

- Worked as a DSP for 3 accumulative years
- Been a case manager since 2019
