## About me

I am born & raised in Aberdeen SD. My husband Jeremy and I have 2 children Clayton & Emmarie. And of course, you can't forget our two pups Marley & Maddy. The past six years I have worked for independent living Choices (Making independence the individual's choice). When I was 15 that is when I knew supporting and being an advocate to individuals with a disability was my passion, and over the last 7 years we have been a strong advocate to an individual supported that part of our family. When I am not working you will find me with my family-chasing my kiddos around, being outdoors, having a cup of tea/listening to music and reading a good book.
