A little bit about me:

I was born in South Dakota. I've lived in Arizona, and North Dakota. While living in ND, I obtained my M.B.A., and had my son, who is now in High-School. I recently moved back to South Dakota a little over 2 years ago. I currently live in Huron with my Boyfriend, Son, and two Dachshunds (Myles and Dante.) When I moved back to Huron, I took a lead position at the Center of Independence. I found my passion for wanting help others grow, learn, and have fun! I am part of the Huron Lions Club, and I'm also in the Huron City Band. I enjoy being part of the community.

Important to me:

- Family & friends
- Exercising & staying active
- My dogs
- Helping people

How to support me:

- Communication is KEY
- I love feedback
- Please be patient with me
- Be honest and upfront.
