# WHAT IS IMPORTANT TO ME?

My family is very important to me. I have 2 adult sons and 3 grandsons that I love to spend time with.

Making a difference by helping others reach their goals, discover a needed resource, or just finding a reason to smile/laugh every day is also very important to me. 🤖🤖

If I'm not working, I can be found either at the gym, doing something outdoors, or hanging out with loved ones. I love working out, participating in mud runs, hiking, traveling, horseback riding, kayaking, camping, and trying new adventures.

# HOW CAN OTHERS HELP ME?

- By being patient with me as I work to get them assistance and answer questions.
- Tell me directly what they want/need and how I can best help them.

# ABOUT ME

I attended Northern Iowa University, where I obtained my B.A. in Elementary Education in 2011. In addition to working in various schools as a Substitute Teacher and Teacher's Aide over the years, I also spent many years as a 911 Dispatcher. Most recently, I have enjoyed working in the field of Care Coordination and Case Management.
