About Me

I graduated from Black Hills State University with a bachelor's in human services. I went another way after college for a profession. In 2021 I was given the opportunity to join RHD and have loved constantly growing in this position. I live in Rapid City with my little family. I am very grateful to be able to raise my son and work in a position that allows me to help others. I am soft spoken but love to create connections with getting to know others.

What others enjoy about me

- * Great listener
- * Hardworking
- * Soft spoke/ easy to talk too
- * Organized
- * Approachable
- * Caring

How to best support me

- * Showing me how you like things done or how you like to do things so I can learn
- * Giving me the chance to think on things that need some attention
- * Allowing me to suggest ideas (even the not so great ones 😊)
- * Text is best but I am very flexible to either calls or emails at anytime as well
